About Us

"Furniture that is functional, aesthetically pleasing and in tune with your office atmosphere, Makes you feel comfortable and creates a positive aura around you".

Da Urban is a renowned name, registered under its parent company, Metro Furniture. Incorporated in 1998, Metro Furniture is one of the leading furniture manufacturing organizations in India today, providing complete office furniture solutions for all segments of the market through its strong base of direct and franchise offices present across Pan India. We have 1500+ dealers across India which are growing at a rapid pace. The company manufactures more than 10,000 chairs and 250 workstations in a month. Operating from factory space spanning more than 15000 sq. feet, the company has over 10,000 esteemed customers pan India.

Our Mission

With 25 years+ industry expertise & infrastructure excellence crafted through unstilted dedication to quality, innovation, and a constant objective, we want to serve the entire global furniture market. Our world-class manufacturing facility, coupled with an extensive infrastructure, allows us to manufacture the finest and much-loved products.

What do we do?

Metro Furniture core expertise lies in manufacturing and marketing extremely innovative and cost-effective customized office furniture such as modular workstations, chairs, partitions, desks, educational, laboratory, retail furniture and fixtures, Office chair, Visitor Chair, Bar Stools, Sofas, etc.

We have a team of expert designers that are constantly coming up with new & innovative ideas that will help you transform your office space and add life to your empty rooms. Not only this, we have worked for countless happy and satisfied clients and our aim is to continue doing the same.

Our Standards

Our Organization has certain quality certifications such as ISO 9001:2015-Quality Management System, ISO 14001: 2015 - Environment Management System, OHSAS 45001: 2018 -Occupational Health and Safety Management System, ISO 45001:2018, Greenguard, ANSI/BIFMA E3-2014, etc. This ensures our customers that we produce lab-tested, high-quality furniture.
